

Peace Home Learning

This half term, we will be learning about World War 1 and the Peace that was strived for in the communities both at home and abroad. Each week you should try to choose at least one activity to complete and hand in NO LATER than **Tuesday**. The activities suggested below will last for this half term - tick them off as you complete them. You can choose any activity you like - they do not have to be done in a particular order. Be as creative as you like with your learning. Not all activities will need to be covered.

Your child will still need to complete Maths Abacus/Active Learn activities online each week, plus continue learning their weekly spellings and read daily.
